THE LAW LABEL
All printing on labels must be permanent and in the English language, color of the print shall be black on a white label. The minimum type size is 1/8" inch in height in all sections except the section where it reads, "Certification is made..." and the "other section" where other state's info is required, such as the finished size or FTC textile information may be placed. Please note that the Country of Origin information in this section needs to meet the 1/8 inch requirement and be in caps and bold type. The label size is a minimum 2 x 3 inches. The label material shall be Tyvek, Veleron, Vellum cloth or a material of comparable quality, which shall not abrade or tear. No text or print may appear on back of label. The label must be prominently displayed through the packaging or must be printed on the package in full size with a white background and black type. The law label must be securely attached to the product. The language for "UNDER PENALTY OF LAW" is specific, in CAPITAL letters and must read exactly as written in bold The "NEW MATERIAL" section must contain the contents of the hidden material and the descriptive language must comply with "The Classifications of Filling Materials" put out by the states and/or IABFLO. All classifications of filling materials must be in bold and in CAPITAL letters, listed by percent (to total up to 100 %) and be listed in order of predominance. The words "ALL NEW MATERIAL" must be in capital letters and in bold. The registration number MUST be the manufacturing registration number and in capital letters and in bold. Registration needs to be abbreviated to read REG. NO. The certification language is specific and must read exactly as written. Use whichever of the following options are appropriate, depending if you are a manufacturer, importer or distributor. Use "MADE BY" or "MADE FOR" in capital letters. The name and address of whichever option you choose must be listed. The "Date of Delivery" line is no longer required on the law label. The finished size is required for mattresses, foundations, futons, mattress pads, hybrid waterbeds, bed pillows, comforters, bedspreads, sleeping bags and similar articles in inches. Metric measurements may also be added. The net weight in pounds and ounces is required for mattresses, foundations, sleeping bags, futons, sleeping pads and other similar articles. Comforters and quilts do not need weight disclosures. The universal sign for inches (") cannot be used according to NIST standards. Country of Origin is required by Customs in bold. Customs requires that all outer material, such as cover material, be listed here by percentages in order of predominance.

Prepared for Nor'East Outdoorz LLC by Legal Label Inc. by MAT 09022015-01, This label has been designed based upon information supplied by the client and assumes all products have been tested for conformity to all applicable standards. Though every effort has been made to ensure that the format, and the supplied content of the label comply with all applicable government requirements and/or agency directives, this label has been drafted without testing results from an agency that confirms that the fiber content and classification language is accurate. To the extent that a label is deemed incorrect due to inaccurate information supplied, or as result of conflicting state/federal regulations, or without testing results, neither Legal Label Inc. nor the affiliated firm The Law Offices of Joanne E. Mattiace assumes liability for such. Copyright 2015
