Purpose of visit: Complaint - Self reported incident case # 2022-46

Observations/Corrections needed:

- (S) 19a-79-3a-(a) Administration - Ensure the safety, health and development of children while in the operator's care - Program failed to ensure the safety of a preschool child when staff mistakenly released a child to ~~go~~ the wrong child to a grandparent before a staff person realized and removed the child from the car to return to center classroom.
- (S) 19a-79-3a-(d)(7) Administration - General Operating Policies - Child Release Policy - Staff failed to effectively implement the program's child release policy when staff released a child to a person, not authorized to pick up the child. Staff person failed to be aware of the specific adults allowed to pick up a child, per policy.
