**Discussions/Comments:**

- Provider stated she is not living upstairs in the main home. She is now living in a downstairs in-law apartment and used to have the child care upstairs, moved it downstairs while the upstairs undergoes construction. No notification of change found on file.
- Home is listed as a single family so a walk-through of entire home is always a requirement.
- All required documents were not visible or posted due to recent painting; license, milestones, safe sleep, ~~emergencies~~

**APPLICANTS- PLEASE NOTE:** You **MAY NOT OPERATE** until all requirements have been met and a license has been issued by the Agency.
