Discussions/Comments:

#33 observed no log of quarterly emergency evacuation drills since November 2021.

#54 observed no health record on file for one child.

#55 observed no immunizations record on file for two children.

Provider was able to present one health record and vaccines that were missing, before end of visit.

Discussed requirements for change of address, non transferability of license.

APPLICANTS- PLEASE NOTE: You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
