**Discussions/Comments:**

• Bio contaminants (bodily fluids) in a potty training chair must be disposed of in a safe manner and chairs should be disinfected between use. Provider uses a potty chair in the kitchen when household member uses toilet facility/bathroom upstairs.

#33 Emergency drills were not documented.  
 #55 Immunizations for two children missing Flu between 8/2022-12/31/2022.  
 #80 Missing Developmental milestones posted in home.

**APPLICANTS- PLEASE NOTE:** You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
