Discussions/Comments:

- Discussed items located on shelving that sits on wall adjacent to diaper changing table, caution with retrieving items so they don't fall or land on a child. Provider mentions she may rearrange diapering station.
- Provider states she will utilize son's room to nap an infant if needed. It was discussed that son's personal items should not be accessible (if they pose a hazard) and 2nd exit (window) must be clear and accessible.
