Discussions/Comments:

#21 provider failed to maintain evidence at the family child care home of compliance with background checks. Provider is current with background checks thru 9/24

#32 did not observe emergency plan complete

#33 did not observe emergency evacuation drill log

#50 did not observe CPR mask required for first aid supplies

Discussion:

- notification of change
- Handwashing after all diaper changes
- updating enrollment forms
- permission slips that are separate from general transportation
