Discussions/Comments:

#21 provider failed to maintain evidence at the family child care home of compliance with background checks. Provider and assistant are current with background checks thru 12/24.

#35 Did not observe carbon monoxide detector in highest level of home and in daycare level of home.

Discussion:

-Flu vaccine needed by 11/24

-If things change and children have access to kitchen door leading to stairs – deny access.

APPLICANTS- PLEASE NOTE: You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
