SUPPLEMENTAL REPORT OF INSPECTION

Name of Program/Provider: Lilian Ochoa de Ordóñez License # 57537 Date: 11/1/23

Observations/Corrections needed:

#80 - Developmental milestones not observed posted.

Discussion:

The provider was informed that some of the documents for which she was cited must be posted in the program.

Provider was also informed that she could use the incident log form to record incidents that have occurred outside of the program. For example, if parent of child makes her aware a child has a "bruise" due to a fall on her way to school or home, she can record this information.

S = Substantiated NS = Not Substantiated P = Pending (if applicable)

Operators/providers are required by regulations and statutes to be in compliance at all times.
