DISCUSSIONS:
 The provider will use her main entrance as the entrance and exit for all families and visitors until she finishes painting her downstairs egress. The second egress in the basement is a foyer style with a sink and cabinets. In the future provide plans to have a kitchenette to avoid making meals upstairs early. Discussed the second egress is safe for exiting. At today's visit it is clear and accessible. When kitchenette is complete, a notification of change is required and specialist must conduct an inspection before use.

COMMENTS:
 We are awaiting background check results to be cleared. Provider is currently a "WSP" status. Agency is awaiting results for out of state background checks.

NOTE: Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.
