DISCUSSIONS:

Attaching shoe rack so children can't tip it over.
 Enrollment and Permissions for providers own children under the age of 12.
 Log all drills completed in the calendar year; making sure you practice at least 4x's per year and log them.
 Check all children's files for Trampoline permission.
 Add Hospital/Walk-in Clinic preferred by parents to all permission forms.
 Observed room in basement that provider would like to use for napping infants.
 Discussed adding a wall to the hallway to separate exits and adding a door to the nap room would allow use for the care of children.
