DISCUSSIONS:
 Personal items left outdoors should always be placed in the shed when children are present as the outdoor spaces children utilized are not blocked off by a barrier. Various gardening tools and ladders, were found outdoors. Carbon monoxide/smoke detector on third floor level was not operable. The provider replaced it. It was discussed to regularly ensure the detectors are all working.

COMMENTS:

NOTE: Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.

APPLICANTS- PLEASE NOTE: You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
