**DISCUSSIONS:**  
 Reviewed the protocol for flu shots and new immunization laws that remove religious exemptions for children under age 5 attending a licensed child care. Discussed the outdoors space fencing. There is a baby play yard fence being used to fence off the play space but it is too small to fit 9 children. Provider explains that she expands it when going outdoors. Outdoor space was reviewed and it was discussed that the space should accommodate all children.

**COMMENTS:**

**NOTE:** Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.
