DISCUSSIONS:

Use of substitute was reviewed at visit - A staff approved by agency as a substitute is not to be left alone more than one hour daily on a recurring basis. If a provider uses an approved substitute in their absence for more than one hour in a day for purposes that are not regular, recurring such as a doctor's appointment, to take a vacation for a limited time with a known end date or to leave the family child care home for an unplanned emergency, this would be an allowable use of a substitute. Reviewed posting infant sleep arrangements, ensure it is visible to all families. Remove household members no longer living in the home from BCIS account roster. One substitute who was a previous household member has an expired background check. They were not present today. It was discussed; They cannot provide direct care or have unsupervised access to children until they have a current background check in the system. At the visit it was confirmed that the city of Ansonia recognizes the property as a 3 family home.

COMMENTS:

Translation of discussions above into Spanish: El uso del sustituto se revisó en la visita: un personal aprobado por la agencia como sustituto no debe quedar solo más de una hora al día de forma recurrente. Si un proveedor utiliza un sustituto aprobado en su ausencia durante más de una hora al día para circunstancias que no son regulares, recurrentes, como una cita con el médico, para tomar unas vacaciones por un tiempo limitado con una fecha de finalización conocida o para salir del hogar de cuidado infantil familiar para una emergencia no planificada, este sería un uso permitido de un sustituto. Revisado la publicación de los arreglos de sueño infantil, asegúrese de que sea visible para todas las familias. Eliminar a los miembros del hogar que ya no viven en el hogar de la lista de cuentas de BCIS. Un sustituto que fue miembro anterior del hogar tiene una verificación de antecedentes caducada. No estuvieron presentes hoy. Se discutió; no pueden proporcionar atención directa o tener acceso no supervisado a los niños hasta que tengan una verificación de antecedentes actual en el sistema. En la visita se confirmó que la ciudad de Ansonia reconoce la propiedad como una casa de 3 familias.

NOTE: Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.

APPLICANTS- PLEASE NOTE: You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
