DISCUSSIONS/COMMENTS			
<p>Discussed protecting outdoor space from the protruding metal rods sticking out of the grass. The yard has ample space for children to play but the rods lie in the middle of the yard. It was recommended to create a visual barrier or a sturdy barrier to prevent children from tripping and to prevent injury.</p> <p>Translation of discussion to Spanish: Se discutió la protección del espacio al aire libre de las barras de metal que sobresalen de la grama. El patio tiene un amplio espacio para que los niños jueguen, pero las barras se encuentran en el centro del patio. Se recomendó crear una barrera visual o una barrera resistente para evitar que los niños tropiecen y para evitar lesiones.</p>
