DISCUSSIONS/COMMENTS			
After diaper changes child's and providers hands are washed with soap and water. Safe sleep and supervision of children. Having access to written daily schedule for inspections. Tree landed on providers pool and knocked some of the side down; provider is not currently avoiding this area although pool is void of water, but is keeping children away from it while the cleanup process takes place.			
<u>NOTE:</u> Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.
