DISCUSSIONS/COMMENTS

21 - Observed the applicant now has access to her BCIS roster
 # 24 - Observed locks have been placed on the cabinet drawers in the bathroom making items inaccessible to children. The cabinets under the sink in the kitchen still have harmful substances such as Comet, Raid, Baking Soda, Spray Starch, and Glass Cleaner accessible to children. Applicant has ordered additional locks for the kitchen cabinet drawers and will send a photo once installed as the children will be walking through the kitchen in order to access the bathroom
 # 32 - Observed the applicant now has a written emergency plan
 # 36 - Observed an 8lb fire extinguisher has been mounted on the wall in the kitchen
 # 50 - Observed the applicant's first aid kit is now complete
 # 51 - Observed proof of rabies vaccine for the applicant's dog
 # 63 - Observed the applicant has set up all of her play equipment; she has an assortment of toys, puzzles, books, and other educational items available for use.
 # 66 - Observed the applicant has created her flexible and balanced written schedule and it has been posted
 # 80 - Observed the child developmental milestones have also been posted
 As the specialist completing today's follow-up did not complete the applicant's initial inspection; an overview of all regulations were discussed with the applicant again today - with extra time devoted to safe sleep, supervision, and the administration of medication policy
 ***Applicant will be using her living room and the room directly adjacent to it for child care
 ***Sleep sacks also left with applicant during today's visit
 ***Copy of regulations were also left for the applicant during today's visit as well

NOTE: Items left blank on this form were not monitored during this visit.
 Only the regulations marked as compliant or non-compliant were monitored or discussed.
APPLICANTS: You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
