DISCUSSIONS/COMMENTS

#89 Large climbing structure observed to have rusted areas and sharp plastic trimming. Program has extensive playground space including small climber, swings, and basketball court available within fenced in area. Playground to bar access to large climber when utilizing playground space.

Observed newly installed playground fencing to have bolt ends accessible. Program closed for summer. Director indicates bolts will be cut off or protected prior to start of school year.

NOTE: Items left blank on this form were not monitored during this visit.
