DISCUSSIONS/COMMENTS

Provider keeps incident logs in a binder for the entire program. Therefore the children do not have a slip in each folder. Reminded provider that all influenza vaccines must be collected every flu season. They are to be collected between August 1-December 31st every year. Reminded provider and staff to clear bathroom sink of personal items before children arrive. Listerine, rubbing alcohol and peroxide were on the sink counter. Night care options were discussed, a notification of change is needed and night care regulations were reviewed during the visit.

NOTE: Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.

APPLICANTS- PLEASE NOTE: You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
