DISCUSSIONS/COMMENTS

There is sufficient space for 6 children due to a large sectional observed in the area where child care will be provided (playroom.) Main entrance to the program will be the door in front of the driveway. At the time of inspection outdoor area cannot be approve as the fence is not in good repair, and it is near a busy street. There was another space in the back of the house that cannot be approved either as there are stairs and a drop off.

NOTE: Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.

APPLICANTS- PLEASE NOTE: You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
