DISCUSSIONS/COMMENTS

Specialist shared the statutes and regulations in Spanish with the applicant, two sleep sacks, enrollment forms in English and Spanish. Shared BCIS information sheet with help desk options. Applicant states they feel comfortable with the OEC website and therefore we did not review it.
 An outside gate was being installed during the visit to prevent children from going into the traffic. At the end of the visit the gate was incomplete, therefore license is pending until the gate is fully installed. Applicant will send photo to specialist.
 There are no violations at today's visit.

NOTE: Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.

APPLICANTS- PLEASE NOTE: You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
