<p>Discussed: Basement care and being with children an all times. Be aware of decorative stones around the pool decreasing pool height on the sides. Carbon Monoxide detectors on every level of the home, not just where care is provided. Using equipment as it is manufactured to be used. Safe sleep and infant care. Having parents look enrollment information over yearly for changes, signing and dating at the bottom when checked. Washing children's hands with soap and water after diaper changes Remounting fire extinguisher in the basement.</p>
