<b>DISCUSSIONS/COMMENTS</b>
-----------------------------

Program is over their over their licensed capacity of 35 by one. 36 children are present as of 10:00am which includes the five camp children that are on a field trip.  
 Multi purpose room observed to be set up for classroom use when table, chairs and cubbies that were downstairs are now in the space. Per local officials room is not approved to be used as capacity. Must get approvals from local officials and submit notification of change form to OEC and have the agency come and measure and approve room if allowed per regulations. Children on field trip will return to center for parents to pick up at end of day.

**NOTE:** Items left blank on this form were not monitored during this visit.  
 Only the regulations marked as compliant or non-compliant were monitored or discussed.  
**APPLICANTS:** You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
