DISCUSSIONS/COMMENTS			
<p>•Discussion, capacity must be maintained at all times. When working alone, the regular capacity must not exceed 6 children. At arrival of visit, the provider was alone with 8, the provider explained that her staff stepped out to an appointment at the bank. Staff arrived at 12:20pm as soon as the could. Only when an OEC approved assistant or substitute is present and assisting, Can a provider care for a total of up to nine children.</p> <p>•Discussed religious exemptions are no longer allowed per Public Act 21-6, the provider chose to keep an enrollment with a religious exemption that resulted in citations last year for paperwork and therefore resulted in citations for noncompliance again this year. Provider explained she did this as a support to the parent and now knows to check physical exams thoroughly for medications needed and immunizations needed.</p>			
<p>NOTE: Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.</p>			
<p>APPLICANTS- PLEASE NOTE: You <u>MAY NOT OPERATE</u> until all requirements have been met and a license has been issued by the Agency.</p>
