--------------------------	-------------------------------------------------

**DISCUSSIONS/COMMENTS**

- Various Enrollment forms were missing start dates, all children's forms should include a start dates and end dates.  
 - influenza vaccines are now a requirement per Public Act 26-1 all children under age 5 in licensed care must receive ether vaccine or they cannot attend. Collect vaccines between 8/1-12/31 of every flu season.  
 - the front bulletin board has many items blocking required forms such as license, developmental milestones and sleep requirements for infants.  
 - New playground space in the backyard has a barrier to protect children from the above ground pool but because it does not have a self closing latch, the stairs to the pool must always be stored in the garage. The pool walls measure 4 feet, no stairs can be left outside.

**NOTE:** Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.

**APPLICANTS- PLEASE NOTE:** You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
