DISCUSSIONS/COMMENTS

During today's follow-up visit the following was observed:
28 - The white extension chord in the main play area has been secured and is no longer accessible to the children. The loose TV chord in the infant play room has also been secured making it inaccessible to the crawling infants.
39 - Pieces of glass were no longer observed in the enclosed outdoor play area. Pieces of glass were also no longer observed along the walkway/grass leading to the outdoor play area.
73 - A tight fitted sheet was observed on the pack n play mattress that is used to nap an infant. In addition, a new tight fitted sheet was also observed on the crib mattress used to nap the 2nd infant in care.
Provider is still working on correcting the remaining violations and will submit corrective action plan upon completion

NOTE: Items left blank on this form were not monitored during this visit.
Only the regulations marked as compliant or non-compliant were monitored or discussed.
