DISCUSSIONS/COMMENTS			
<p>Discussed: Height of pool fencing keeping an eye in areas where starting to get slack. Keeping gate up at bottom of the stairs when gate to playroom is open. Safe sleep and not adding anything to pack and play; must be used as it is manufactured. Topical forms are only good for one year. Parents complete new enrollment forms and contracts yearly because provider is not open in the summer. Enrolled siblings need separate forms and providers children under 12 need paperwork as well. For children taking bus to or from school document on permission forms what type of supervision is provided.</p>			
<p>NOTE: Any items left blank on this form were not monitored during this visit- only the regulations marked as compliant or non-compliant were monitored or discussed.</p>			
<p>APPLICANTS- PLEASE NOTE: You <u>MAY NOT OPERATE</u> until all requirements have been met and a license has been issued by the Agency.</p>
