DISCUSSIONS/COMMENTS

Compliance was found at the follow up with #40 Pool
 Pool height is now "48; provider needs to check periodically as rocks can shift or be moved.
 Gate now has a key lock on it making it inaccessible.

NOTE: Items left blank on this form were not monitored during this visit.
 Only the regulations marked as compliant or non-compliant were monitored or discussed.
APPLICANTS: You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
