DISCUSSIONS/COMMENTS

The Provider lives in an apartment complex, and has no safe/sufficient space available for outdoor play. The provider will look at parks and OEC(SR) will observe the park and have provider submit a supervision plan prior to using the alternate outdoor play space.
The providers capacity was reduced due to size of Apt., and transporting children in her SUV to park.
The SUV can fit 5 children with proper restraints.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only the regulations marked as compliant or non-compliant were monitored or discussed.
- **APPLICANTS –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.**
