DISCUSSIONS/COMMENTS

#31 Continuation:

There is a gate at top of one of the stairs in the deck.

Applicant knows that Notification of Change will be required if there is a change on days and hours for the program.

Discussed blocking access to stairs at the top when the deck is being used with the kids, and at the bottom of stairs when the kids are at ground level in the outdoor play area.

Program uses the main floor of the house and the backyard as designated outdoor play space.

Applicant has a detailed permission form to be signed by parents for field days. Applicant understands her responsibility with the children during all hours of the program.
