### DISCUSSIONS/COMMENTS

\*\*\*Provider's change of address inspection and full inspection were both completed today\*\*\*  
 \*\*\*Provider is still residing in the same apartment complex but has changed apartment numbers: she is now residing at 89 Coleman St Apt. 316, West Haven, CT 06516  
 \*\*\*Provider is now on a 1st level unit and there is a sliding door in the kitchen that leads directly to the outdoor play area. The provider was observed to not reside on a busy street. Provider will be using her living room area for care.  
 \*\*\*As the provider has never had any children enrolled since being licensed in November 2020; specialist reviewed all regulations in great detail with her again today with extra time spent on safe sleep, supervision, administration of medication, and approved use of a substitute.  
 \*\*\*All required sample documents were also left during today's visit and explained in great detail as well.  
 \*\*\*Sleep sacks were also left during today's visit.  
 \*\*\*Provider also asked about a small bassinet that came with a pack n play that she wanted to use to nap any infants that enroll; specialist after discussing it with supervisor confirmed it cannot be used as it does not meet the regulations pertaining to safe sleep. Provider understood and the bassinet was detached from the pack n play. The pack n play itself is approved for use.

### IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only the regulations marked as compliant or non-compliant were monitored or discussed.
- **APPLICANTS** –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
