DISCUSSIONS/COMMENTS

Substitute was present during inspection with provider. Provider mentioned she'll be moving back to her original house hopefully in December. Provider understands she will need to complete a change of address, a notification of change within five business days and may not care for children in new address until inspection is complete and new license is approved.

IMPORTANT NOTES

- *It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.*
- *Items left blank on this form were not monitored during this visit. Only the regulations marked as compliant or non-compliant were monitored or discussed.*
- *APPLICANTS –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.*
