DISCUSSIONS/COMMENTS

Discussed with provider the following-

- Importance of having medication on site with medication authorization form and individual care plan.
- Importance of reviewing children's physical exam dates.
- Importance of remembering when household member turns 18 in October 2025, household member must complete fingerprints, background check and adult medical statement.
- Importance of using a fitted crib sheet in infant's crib. Observed a loose crib sheet, infant was not sleeping during time of inspection. Provider immediately removed crib sheet and stated she will leave it plain and will purchase a fitted crib sheet.
- Fire safety and ensuring any glade plugins that are empty are disposed of and not inserted in outlet. Observed an empty glade plug in plugged into outlet in wall in providers main floor(inaccessible to children.)
