### DISCUSSIONS/COMMENTS

\*\*\*Provider's change of address inspection and full inspection were both completed today\*\*\*  
 \*\*\*Provider is now living at 44 Bagley Ave, Apt. 1R, Hamden, CT 06514 - provider will be utilizing her living room area for child care.  
 \*\*\*Provider does not reside on a busy street and plans to utilize her shared backyard space for outdoor play. She will be using a portable fence to create an enclosed play area for the children when they are outdoors so they do not enter into the neighbor's half of the yard.  
 \*\*\*As the provider has never had any children enrolled since being licensed; specialist reviewed all regulations in great detail with her again today with extra time spent on safe sleep, supervision, and administration of medication.

### IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only the regulations marked as compliant or non-compliant were monitored or discussed.
- **APPLICANTS** –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
