SUPPLEMENTAL REPORT OF INSPECTION

Name of Program/Provider: Sterling House Preschool License # 12267 Date: 11/12/2024

Observations/Corrections needed:

(S) 19a-79-4a(d)(4)(A) - Ratios - regulation not met when 21 children and two staff were in gym upon arrival - children were both preschool and kindergarten age. On a second trip to the gym during visit, two groups were created but were not in ratio when divided as one staff to eleven children in both groups.

(S) 19a-79-4a(d)(5)(A) Group size - group size regulation not met when 21 children were observed in gym without barriers.

(NS) 19a-79-5a(a)(1)(D)(i) - Emergency permission - observed completed enrollment form with emergency permission signed.

Discussion: Plastic barrier in playspace no longer serves purpose of keeping wood chips in specific area. Discussed that it may be a tripping hazard and possibly could be removed to prevent any future injuries.

(S) = Substantiated (NS) = Not Substantiated P = Pending (if applicable)

Operators/providers are required by regulations and statutes to be in compliance at all times.
