DISCUSSIONS/COMMENTS

Discussed with provider the following -

-Observed a pack n play in second floor bedroom. Pack n play contained a mattress insert. Provider stated she does not have any child from the daycare sleeping in pack n play during daycare hours. Provider asked if her grandchildren can sleep upstairs during daycare hours.

OEC staff reminded provider she may have grandchildren sleep upstairs with appropriate supervision and must follow manufacturer all guidelines on pack n play, including no extra padding/inserts, and stop using them with children able to climb in and out of it. Mattress insert must not be utilized in pack n play while child is sleeping in it regardless of age.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only the regulations marked as compliant or non-compliant were monitored or discussed.
- **APPLICANTS** –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
