DISCUSSIONS/COMMENTS

Discussed:
 Provider must designate locations she will transport children on the permission form for transporting.
 If a non-staff person is going to transport children, provider must have written permission from the parent designating who the person is including locations and times they will be transporting their child.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Items left blank on this form were not monitored during this visit. Only the regulations marked as compliant or non-compliant were monitored or discussed. Providers are required by statutes and regulations to be in compliance at all times.
- **APPLICANTS –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.**
