DISCUSSIONS/COMMENTS

Discussed:

Having parents review, up date if needed, and sign off that information on the forms is up to date and current by initialing and dating at the bottom; once a year.

Having access to current physicals for providers own children.

Topical forms only being good for 1 year.

Safe sleep and need for doctors note if a child needs to be slept differently due to a medical condition.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only the regulations marked as compliant or non-compliant were monitored or discussed.
- **APPLICANTS** –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
