DISCUSSIONS/COMMENTS

Reviewed new regulations effective 10/16/2024
 All items checked were discussed or observed
 Provided a copy of the updated policy review checklist in accordance with new center regs in effect 10/16/2024. Program to ensure all policies are updated in accordance with new regulations. Sample policies available on OEC website.
 Owner submitted notification of change, removing the night care endorsement at this time.
 Observed preschool class beginning to watch a movie. New regulation was reviewed with the Head teacher and director and movie was switched to an exercise video. Limited screen time for children over 2 no screen time for children under 2 years.
 Radon test was not observed to be posted. Documentation was located and posted during visit.
 Field trip first aid kit must travel with children when leaving the premises including water, liquid soap, plastic bags, emergency contact info for each child and effective means of communication.
 Program has a current special petition for Diastat, expires 7/2025. Special petition no longer required, program to ensure staff maintain current recital med training, ensure policies are followed and med orders, care plan and medications are current.
 Provided copy of OEC sample Infant Sleep arrangement policy

NOTE: * Items left blank on this form were not monitored during this visit. * Only the regulations marked as compliant, non-compliant or not applicable were monitored or discussed. * It is the operator's responsibility to ensure compliance with all local codes and ordinances.
