DISCUSSIONS/COMMENTS

Discussed:

- Make sure parents are being notified when staff is being used.
- Allow access to BCIS Roster for substitute or print roster so substitute has access to it in providers absence.
- Move little tykes slide on the playground so that it isn't directed into bigger playscape slide.
- Make sure 4 evacuation drills are logged yearly.
- Limit screen time.
- Have parents review paperwork yearly to ensure information is up to date/current and after reviewing, have them initial and date at the bottom of each form when it was reviewed.
- Provider can refer to additional list for specifics.

IMPORTANT NOTES

- *It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings.
