DISCUSSIONS/COMMENTS

"Policy review checklist provided during inspection highlighting changes to the child care center regulations, effective October 16, 2024. Program must ensure policies are updated to reflect new requirements."
Discussion:
 - Per director, lead management plan was followed (every 6 months) and done in February 2025. Director did not locate the documentation.
 - Stairs not protected in preschool classroom. Need documentation from Fire Marshal that no barrier can be used.
 - Observed diaper changing mat in infant showing porous surfaces.
 The 3rd playground is not license and not used by the program.
