DISCUSSIONS/COMMENTS

Observed the following staff present during inspection:
DCFS 91645
DCFS 92273
Discussed with provider the importance ensuring any infant under the age of 12 months is held during bottle feeding time.
Discussed with provider importance of ensuring maintaining compliance in regards to capacity.
Provider understands she must always provide truthful statements during every inspection.
There are 10 children enrolled.
Provider stated one child goes to camp during the summer, when that child attends camp- another child takes their place. She stated she maintains her capacity of 9 maximum in the childcare and communicates with the family if there is space for child to attend.

IMPORTANT NOTES

- o *It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.*
- o *Only regulations marked as pending, substantiated or non-substantiated were monitored or discussed.*
