DISCUSSIONS/COMMENTS

Discussed:
 Some parents still have not reviewed and updated information on enrollment and permission forms, some have not been updated in 2 years.
 Once parents review and make corrections or confirm there are none, they should initial and date at the bottom of both forms when they were reviewed. This should be completed yearly.
 Medical exemption for the flu vaccine was discussed and website was shared. Just a doctors note is not acceptable and the physician should be aware they must access medical exemption through DPH website, complete it and provide a copy to the parent for the provider.

IMPORTANT NOTES
