DISCUSSIONS/COMMENTS

Discussed with provider the following-
 Observed a thick mattress inside of pack n play; provider was reminded that mattresses may not be used inside of pack n plays while children are sleeping. Provider stated that the children that were 3 years old that were originally sleeping in pack n play during first inspection on 6-2-25 now one sleeps on bed in bedroom and one inside the pack n play next to bed. Licensing specialist reminded provider to be mindful of age and weight of children sleeping in a pack n play, suggested a cot, air mattress or smaller bed for second child.
 Observed garage door unlocked and open exposing tools and lawncare items/machinery. Reminded provider that door must be kept locked to barre access from children.
