DISCUSSIONS/COMMENTS

New flyer on safe sleep in child care were was given to provider and reviewed today. Discussed outdoor time as part of a flexible and balanced schedule, and activities that promote physical development of each child. Forms for children who need prescription medication given at the program, were all reviewed today with provider. Showed to provider where to find sample policy for administration of medications in the OEC website. Provider states children attending are attending the program in two groups. One group of siblings leave early afternoon if the other group is coming. If the second group of siblings is not coming in the afternoon, then the morning group stays the afternoon.
