DISCUSSIONS/COMMENTS

Discussed with provider importance of ensuring if a child has a diagnosis of a food allergy on a health assessment and requires medication, medication must be on site. If child does not need medication- a note from a pediatrician must be kept on file stating child does not need medication for allergy.

IMPORTANT NOTES

- *It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.*
- *Only the regulations marked as compliant or non-compliant were monitored or discussed.*
- *APPLICANTS –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.*
