DISCUSSIONS/COMMENTS

The following was observed during today's partial inspection:
 # 74 - The now 11 month old infant was observed to be napping in his pack n play; there were no blankets or other observable hazards in the pack n play with him while he napped during today's partial inspection. The only item observed in the pack n play was a tight fitted sheet on the mattress. The infant was also not wearing a bib today.
 Provider was observed to still be in compliance during today's partial inspection
