DISCUSSIONS/COMMENTS

Follow up to initial inspection for basement access. Landlord came to open 2 locked room and a locked bathroom on the basement. No hazards observed in any of the rooms. Basement is not considered a separate apartment and will not be rented. Landlord can be called to unlock rooms but didn't want to provide a key to the applicant. Fencing observed but measured at 47"; discussed 48" requirement in the front side and back side of the home. Fencing still needed at drop off area of the driveway and 1st tier of back yard. Lawn mower and bbq accessible; applicant will block off with more fencing.

#13 Observed applicants current physical on file.
 #17 Observed 1 household member's physical on file and observed 1 now current.
 #23 Observed 4 tier bookshelf to be removed and replaced with a 2 tier sturdy non-tipping bookshelf; garden tools and small bbq removed from backyard.
 #31 Observed handrails installed on both outside stairways.
 #46 Observed water temperature to measure at 118.5 F today.
 #68 Observed a cot purchased and on site for napping.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Items left blank on this form were not monitored during this visit. Only the regulations marked as compliant or non-compliant were monitored or discussed. Providers are required by statutes and regulations to be in compliance at all times.
- **APPLICANTS –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.**
