DISCUSSIONS/COMMENTS

23 Freedom of Hazard: Provider not in compliance with maintaining the facility and/or equipment in good repair and free of hazards when she did not follow to the lead management plan. She also failed to document their required examinations in the monitoring log every six months. Furthermore, she requested the necessary documents from her daughter and printed the monitor log during the visit.
 # 23 The artificial turf on the playground has many wrinkles that pose a fall hazard. * Two toddler swigs are not secured on the ground.* The wooden playground has screw coming out.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only the regulations marked as compliant or non-compliant were monitored or discussed.
- **APPLICANTS** – You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
