DISCUSSIONS/COMMENTS

Allowance for large group home has been approved by the State, however, Licensing has not yet completed qualifications/regulations for this new credential, which will require an application for pilot programs. Reminded provider that during visit/investigation conducted on 8-21-25, capacity regulation of only 9 was discussed with her, due to her being over capacity at that visit with 10 children on site. Discussed that OEC is awaiting her corrective action plan from investigation on 8-21-25, where capacity and adult medical for the provider were cited. Provider was advised that she must get an appointment asap or see if her physician will complete the OEC's adult medical form based on her last exam.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only regulations marked as pending, substantiated or non-substantiated were monitored or discussed.
